

DINNER ROSTER –

The dinner roster has three main objectives:

- *It allows more members to meet (break bread with) Anne and it allows her to meet more club members than her host families*
- *It gives Anne an opportunity to enter more homes and discover Australian family life – this is central to her exchange experience*
- *It gives the host family a “night off” to schedule other activities eg, visiting elderly relatives*

1. you are responsible to note the date for the exchange’s rostered dinner
2. you are responsible to ensure that you host the exchangee for dinner on the rostered date - or another to be arranged by you
3. you must confirm with the host family everything to do with that scheduled dinner, ie
 - when you will pick up Anne and deliver her home
 - if you cannot make the arrangement and want to reschedule to another day that week
 - any other details about time due back/transport/diet/other requirements etc (cats!)
4. if you know some weeks in advance you are not available, eg on holidays, you are responsible to swap with another member further down the roster list AND to notify TD to change the roster
5. if for any reason you feel you cannot host Anne in your home, please consider taking Anne out to a restaurant – can be fish and chips by the sea or a chop in the park...you decide
6. if for any reason you feel uncomfortable hosting Anne alone, arrange with another member to share a hosting; consider restaurant or weekend or...
7. it doesn’t have to be Tuesday; it can be another week night for dinner. It can be in the weekend for breakfast lunch or dinner or a cup of coffee or Bovril BUT you must advise the host family on or before the Thursday (at Rotary?) before your rostered date to host
8. every member should have the opportunity to meet the exchange student – for an informal ‘exchange’! – at home or a place of their choosing.
9. you do not need a WWC card – but you are still encouraged to get one; it’s \$10 well spent
10. do NOT contact me unless it is a roster change well into the future. My job is to set and fix the roster. Contact the host family for most matters to do with hosting Anne for dinner

Thanks...bon appétit
